GENERATION AFTER GENERATION A COACH LIKE NO OTHER!

For more than a decade Plaxton's Panther range has led the way in the UK coach sector, evolving consistently and building a reputation for the provision of quality transport solutions, whether it be for luxury holidays, excursions, corporate events, contract work or school services.

Coach operators across the country are thrilled with the outstanding performance of the stylish Panther range, including loyal customer Country Lion, a family owned business that has been around for 56 years.

Dan O'Dell, the company's Managing Director, commented:

"Plaxton vehicles form the backbone of our coach fleet and the Panther is a vital part of that product mix. Pound for pound it's the best value for money in the market place. Panther has an unbeatable lifespan, combining performance, adaptability and endurance."
