

Stock Buses

2020

Alexander Dennis has stock-built **Enviro200 single deck buses** available for immediate or later delivery, with a choice of four vehicle lengths from 8.9m to 11.8m. Our Enviro200 stock is built to a high standard with a versatile specification including moquette-trimmed, high-back seats with or without seatbelts.

Racking for luggage to transform the Enviro200 into a cost-effective solution for airport parking shuttles is available to be fitted on request.

All Enviro200 stock are powered by fuel-efficient Cummins Euro 6 engines and matched to fully automatic gearboxes.

For confirmation of availability and to discuss options, please speak to your Alexander Dennis sales representative – contact details at www.alexander-dennis.com/contact-us.
