

ENVIRO200

United Kingdom & Ireland / 8.9m, 9.7m & 10.8m stock specification

The versatile **Alexander Dennis Enviro200** is Britain's favourite single deck bus. Its lightweight design makes it highly fuel efficient and cost-effective to run.

Alexander Dennis has stock-built Enviro200 in a choice of vehicle lengths available for immediate or later delivery. Our Enviro200 stock is built to a high standard with a versatile specification including moquette-trimmed, high-back seats with or without seatbelts.

Racking for luggage to transform the Enviro200 into a cost-effective solution for airport parking shuttles is available on request.
