

ALEXANDER
DENNIS

Enviro400

DOUBLE DECK BUS

The Alexander Dennis Enviro400 is Britain's favourite double deck bus. Designed by the industry for the industry, its lightweight design makes it highly fuel efficient and cost-effective to run.

The 11.5m version combines capacity and comfort for profitable private hires, corporate work and school contracts. Our Enviro400 stock is built to a high standard with high-back seats with seatbelts, wood-effect flooring and a PA system with saloon speakers.

Features and benefits

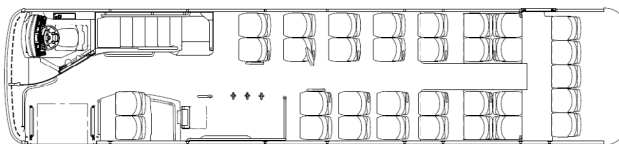

- AD24 whole-vehicle aftermarket support
- Lightweight construction for class-leading fuel economy
- High capacity with 85 belted seats
- Fully complies with Public Service Vehicle Accessibility Regulations
- Easy to maintain and repair
- Specification changes available
