

Enviro200

SINGLE DECK BUS

The Alexander Dennis Enviro200's lightweight design makes it highly fuel efficient and cost-effective to run. Fitted with the SmartPack efficiency technology developed in-house by Alexander Dennis, it is accredited as a Low Emission Bus by the Zemo Partnership.

Our Enviro200 stock is built to a high standard with a versatile specification including moquette-trimmed, high-back seats with or without seatbelts. Luggage racking is available on request to make it a cost-effective solution for airport parking shuttles.

Features and benefits

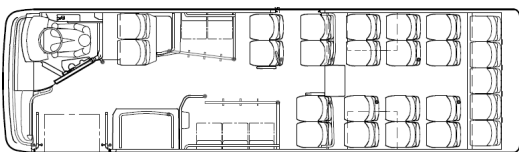

- Lightweight construction for class-leading fuel economy
- Low Emission Bus certified with SmartPack efficiency technology
- Specification enhanced for 2025
- Seatbelts fitted or provision for seatbelts to be added to existing seats later in life
- Accessible information pre-wired or fitted
- AD24 whole-vehicle aftermarket support
