ALEXANDER DENNIS

Enviro200

United Kingdom

The Alexander Dennis Enviro200 is built to a lightweight design that makes it highly fuel efficient and cost-effective to run.

It is accredited as a Low Emission Bus when fitted with the SmartPack efficiency technology, developed in-house by Alexander Dennis.

The Enviro200 can be tailored to suit a wide variety of uses including busy city services, regional buses and airport transfers and delivers a bespoke journey experience with a choice of features such as skylights, social seating, mood lighting or device charging.

Features + benefits

- Lightweight design
- **LEB** Certification with SmartPack technology
- Up to 43 passenger seats
- AD24 whole-vehicle aftermarket support
- Fully built in Britain
- Easy access with large flat floor area

Enviro200
